Values Statement

At Deal Parochial Primary School the curriculum is firmly rooted in its Christian foundation: enabling every child to grow spiritually and emotionally; fostering imagination and a deep sense of personal identity and self-worth; providing guidance through the loving example of Jesus Christ.

Mission Statement

Our hope is that each child at Deal Parochial Primary School will develop an appetite for learning that will endure throughout their lives. To achieve this, the curriculum will need to motivate and excite children so that they engage fully in learning, cultivate positive attitudes and relationships, make good progress and fulfil their true potential; living up to our motto - "The best that I can be".

Aims and objectives

The school aims to serve its community by providing an education of the highest quality within the context of Christian belief and practice. It encourages an understanding of the meaning and significance of faith and promotes Christian values through the experience it offers to all its pupils. Parents have the right to withdraw their children from the daily Christian act of worship and Religious Education. We welcome applications from all members of the community, and we ask all parents to respect the Christian ethos of our school and its importance to our community.

Deal Parochial C.E.P School has a responsibility to develop and foster a healthy organisation for staff, children and visitors through a range of activities. The position we adopt on smoking and the use of e-cigarettes (nicotine containing products (NCP)) in school is one of the ways in which we attempt to improve the working environment whilst respecting the position of individuals who choose to smoke or use NCPs.

Aims

This policy aims to give staff, children and visitors the right to work in an environment that is free of tobacco smoke and vapours from e-cigarettes.

Scope

This policy applies to all employees, contractors, visitors (including parents) and members of the public whilst in our buildings.

KCC Policy Statement

Smoking and the use of e-cigarettes or “vaping” is not allowed in any KCC buildings or establishments for the health, safety and well-being of staff, children and visitors. Residential establishments are exempt from any ruling for residents only and if designated smoking facilities already exist they must be clearly marked.

The smoking and e-cigarettes policy will apply to any of our rooms or premises that are hired out for functions.

Smoking and Others

E-Cigarettes – We expect people who use e-cigarettes or ‘vape’ to use these devices at a reasonable distance from our School.

Whilst it is recognised that there is no current legislation banning these products they remain unlicensed and little is known about the health risks they may cause. E-cigarettes contain liquid nicotine, flavour and other chemicals which are turned into vapour and is inhaled by the user. Our intention is to protect non smokers from being exposed to these vapours which could be potentially harmful, and may cause safety concerns.

Until such time as legislation comes into effect, Deal Parochial C.E.P School with KCC will take the position of banning the use of these devices in the workplace.

Smoking and Vaping outside buildings - We expect people who are smokers or vapers to take steps to minimise the effects of their smoke or vapours on others whilst at work/visiting Deal Parochial C.E.P School. Primarily this will be by ensuring that when smoking it is at a reasonable distance from the building.

Enforcement and Monitoring

Parochial school Staff are responsible for ensuring colleagues and visitors comply with this policy. Persistent and/or intentional breaches of the policy will lead to disciplinary action under KCC’s Disciplinary Procedure for staff.

Any visitor to our premises who breaks the conditions of this policy will be asked to stop smoking or vaping, or to leave the premises.

This policy will be:

Displayed on our website

Communicated to all employees, contractors, visitors

Made available to all new employees as part of their induction

Please note that where you see a ‘No Smoking’ sign this will also mean that you will be unable to use e-cigarettes or vape. Signs will be clearly displayed around the school building.
