## Values Statement

At Deal Parochial Primary School the curriculum is firmly rooted in its Christian foundation: enabling every child to grow spiritually and emotionally; fostering imagination and a deep sense of personal identity and self-worth; providing guidance through the loving example of Jesus Christ.

## Mission Statement

Our hope is that each child at Deal Parochial Primary School will develop an appetite for learning that will endure throughout their lives. To achieve this, the curriculum will need to motivate and excite children so that they engage fully in learning, cultivate positive attitudes and relationships, make good progress and fulfil their true potential; living up to our motto - "The best that I can be".

## Aim

To ensure the safety of pupils, staff and visitors on the premises.

## Development Process

This policy has been drawn up in consultation with all teaching staff, other school staff, external partners, parents/carers, pupils, governors, members of the wider school community.

## Location and Dissemination

The policy can be found in the staff handbook. This document is freely available to the entire school community.

## Rationale

The purpose of inviting visitors in to the school needs to be clear. Reasons could include:

- Raising awareness of an issue
- Providing expertise
- Building links with the community
- Giving pupils an opportunity to work with adults outside of the school
- Raising the profile of the school
- Public relations
- Enhancing the curriculum
- Part of staff training
- As a resource

## **Introduction**

Deal Parochial C.E.Primary School is committed to seeking support and expertise from the wider community through the work of volunteers in school.

The value of well-deployed volunteers in school is widely recognised. They are a welcome resource in helping to raise children's achievement whilst complementing the work of the staff in school. They can often provide expertise and experience that might otherwise be unavailable in school.

Volunteers will be placed sensitively and responsibly.

They will not be asked to replace paid staff or be given responsibility within school that would normally be associated with paid employees.

We benefit from volunteers through:

- Celebration of the diversity of skills, knowledge and expertise within our school and wider community
- Enrichment opportunities within the curriculum through volunteers who advise and support both the staff and pupils
- Providing regular support in the classroom in activities such as reading
- Providing first-hand experience to support specific topics curriculum areas such as in History or RE.

## **How to volunteer**

People interested in volunteering should contact the school office or Headteacher.

## **Deployment of Volunteers**

All volunteers will be made to feel welcome. Their role will be clearly defined through discussions with the Headteacher or relevant member of staff.

Volunteers will be given copies of the following documents in advance of the volunteering:

1. Deal Parochial C.E.Primary School Guidelines for Volunteers in School
2. Part 1 of Keeping Children Safe in Education 2015
3. The school's Code of Conduct
4. Deal Parochial CEP School Child Protection Policy (to read)

Documents 1 and 2 above should be signed by the volunteer and a signed copy kept on record by the school.

The Headteacher retains responsibility for all volunteers in school. However, they will be supported by a named member of staff. Through use of an induction procedure, all volunteers will be made aware of the following:

- Volunteers will be under the supervision of a member of staff
- They must be directly supervised if they do not hold the appropriate DBS certificate
- How to deal with inappropriate behaviour concerns
- Expectations regarding confidentiality
- Policies relevant to their role
- Expected level of appropriate behaviour and an awareness of professional codes of conduct
- The School's Complaints Procedure
- Child Protection Procedures
- Health and Safety Procedures
- Fire Alarm Procedures

## **Child Protection**

The law requires checks to be made on anyone with responsibilities in a school which gives them regular unsupervised access to pupils. This includes people who regularly help:

- In the classroom
- In extra curricular activities
- On residential visits

Volunteers not being directly supervised will be asked to complete a DBS Disclosure Application Form each year. This will not apply to volunteers who assist in school activities such as assisting in walking children to a local venue or in activities such as PTA events where activities are supervised by a member of staff or a responsible adult (those for whom we have certification of a satisfactory DBS).

### **Inclusion**

Deal Parochial School is a fully inclusive school and, where possible, will encourage disabled volunteers to support the school. The school will take steps to ensure appropriate support is given to all volunteers.

### **Parent volunteers**

Parents make up the majority of volunteers. Our School encourages the support of parents. However, there may be times that we will ask parents to support classes which don't contain their own children.

### **Health and Safety**

Safe practice must be promoted at all times. The school has a Health and Safety Policy and maintains a record of Risk Assessments. All volunteers will have their attention drawn to identified risks. Action will be taken by the school to minimise any risk.

Volunteers will be covered under the school's relevant insurance arrangements while undertaking the volunteer activity.

### **Feedback**

Volunteers will be encouraged to provide feedback to the school via the relevant staff member, or Headteacher, regarding their experience of volunteering. Feedback will be used to maximise the benefit of volunteering to both the school and future volunteers.
