

WildBeach Permission Form

Information for Parents

WildBeach is an inspirational process that offers children opportunities to achieve and develop through self-led, hands on learning experiences in a local coastal environment.

WildBeach sessions are structured but flexible. Children are encouraged to learn at their own pace, including time for free play within set boundaries, which is recognised as a valuable learning process. Activities can be repeated in subsequent sessions, allowing participants to be involved at a time appropriate to their individual learning.

Guardians of the Deep WildBeach sessions are run at various coastal locations around Kent, normally within walking distance of the school. All activities and sites are Risk Assessed and there will be safety talks to establish ground rules at the beginning of each session.

The children will be outdoors for each session, so we advise that they wear/bring the following and are prepared for wet/cold weather:

Recommended things to wear	Recommended things to bring
Long trousers – in colder weather	Waterproofs
Long sleeves – in colder wather	Drinks
Sturdy footwear – boots or wellies are best	Sun cream, sun hat (warm weather)
Coat, hat, scarf, gloves (cold weather)	Extra socks

Please remember that the beach will often colder than the forecast due to its exposure. The children will be building a shelter as part of their sessions, however they will still be outside and need to be dressed appropriately.

General information

The school will appoint a nominated First Aider who will be responsible for first aid of the group. Wildbeach staff are First Aid Trained and DBS checked. A First Aid kit is provided on site.

Toilet facilities are available at some sites, but not all.

Please let us know about any allergies or health issues before the day and ensure that children have required medication with them (to be supervised by their group leaders).

The following form gives consent for your child to attend WildBeach only. There is no photo permission form as we will not be taking any photos of the children during these sessions.

WildBeach Child Consent Form

Child's name:

Child's age:

Please specify any medical conditions that Kent Wildlife Trust should be aware of during any WildBeach sessions. This information should include asthma, allergies or injuries.

I give permission for my child to attend Guardians of the Deep WildBeach programme.
