Dear Parents / Carers

Change to issue of Public Notice

I am writing to update you on very recent communication I have received from the Local Education Authority with regards to the public notice of consultation of the school expansion.

Unfortunately, there will be a delay in the publication of the notice. Please read below the explanation I have received this morning.

“The issue of the public notice has been delayed a couple of weeks and will not now be published until the 12th May. This is because the Cabinet Member has still to sign the Record of Decision and we have to have a weeks grace following this action”.

I will continue to keep you all fully informed of any new developments in this matter.

Yours sincerely

Justine Brown
