### Please Note:

If a club takes place after school and children need to wear a PE kit, they should change out of their kit before leaving school. Any kit

supplied by the school **MUST** be handed back to the teacher before leaving the premises. *NO SCHOOL KIT IS TO GO HOME!*

It is the parent/carers responsibility to ensure that medical equipment such as asthma inhalers, are available in school, otherwise children will be refused participation.

Children should be collected **PROMPTLY** after their club by a parent/responsible adult. If your child is to make his/her own way home, written consent must be given.

Where possible, parents should inform the club leader if your child will not be attending their after school club. Clubs leaders contact details are underneath there name.. In the event of last minute cancellations, the children will be supervised in school until the end of club time). Parents should not wander freely into school looking for lost uniform. In the event that you need to re-enter, then do so using the main school entrance and seek permission first.

Clubs marked with a \* Incur a charge.
