3.3 Financial Links to the School Improvement Plan

The School Improvement Plan shows sufficient scope and depth of understanding of the financial implications and it is reflected in the school's three year budget plan.

3.4 Monitoring and Virements

Deal Parochial CE Primary School recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Headteacher carries out a monthly internal monitoring. A quarterly monitoring report is taken to all meetings of the Resources Team which reports, if required, to the Full Governing Body. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements may need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

Virements up to £8,000 - The Headteacher, reported to the Resources Team.

Virements from £8,000 to £10,000 – The Resources Team, reported to the Full Governing Body.

Virements over £10,000 – The Full Governing Body

All staff adhere to the school procedures for purchasing items, as laid down in the School's Staff Handbook, paying regard to value for money at all times. The Headteacher authorises all orders and invoices prior to payment.

Where the school purchases large items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools (www.kent.gov.uk/publications/business/spending-councils-money.htm), in summary:

- For orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Resources Team for approval and report to the Full Governing Body.
- For orders of £50,000 or over, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval

All of the above will be minuted at the appropriate Team/Governing Body meeting to ensure that the School is seen to be obtaining value for money at all times.

The school does not enter into any Hire Purchase agreements, Finance agreements or Finance Leases as this constitutes borrowing which is not permitted.

3.7 Personnel Matters

At Deal Parochial CE Primary School, at the start of every financial year the finance officer and Headteacher uses a financial planning tool to calculate the salary costs of all members of staff, including increments, where applicable. These details are used by the **Resources Team** for incorporation into the school budget planning process.

The **Performance Management Committee** undertakes an annual review of the Headteacher's salary, and recommends enhancements, if applicable, to the Full Governing Body for approval.

The Headteacher undertakes an annual review of all other staff, in accordance with the Governors' Pay Policy and reports to the Full Governing Body.

Items of value are held in a locked cupboard/cabinet, wherever possible and all items are visibly security marked to deter theft.

Where assets are written off and disposed of, the Resources Team agrees this on behalf of the Full Governing Body and the agreement is minuted.

Where school assets are loaned to staff or pupils, a loans book is completed and signed when borrowing the item and again when the item is returned.

We recognise that our Voluntary Fund is an additional source of income and that the controls over its use need to be as rigorous as for the administration of the school's delegated budget. We have appointed someone who is independent of the school to audit the Voluntary Fund accounts on an annual basis. All monies for the Voluntary Fund are held securely and separately from those of the school budget.

3.14 Irregularities
