Reconnect Discount Card

Kent County Council's Reconnect programme is working with community groups and organisations to provide a fantastic array of different opportunities for children and young people.

During the next five months leisure centres across Kent are providing a range of free or discounted opportunities for children receiving free school meals. You will shortly receive a Reconnect e-Card from e-vouchers.com, which you can use in participating leisure centres to show your child/family is eligible for any relevant discounted/free offer. A full list of participating centres can be found [here](#).

We expect the Reconnect e-Card will also be used by other organisations as they confirm their activities and how these are accessed. The electronic Reconnect Card is important to you if you want to take up either the leisure centre offer or any further discounts, so please store it safely.
