Fairness Fiesta Friday

14-07-23

What is this all about?

Our Refugee Pupil Champions and our Pupil School Action team have worked together to brainstorm what actions we can take together in response to our compassion and kindness action week.

We would like to raise some money towards The Sapphire Project and their refugee awareness provision that we have benefited from over the last few years. The dance workshops, lantern making, Roma awareness talks and resources loaned out to the school.

These are the suggestions we want you to take part in next Friday:

- Dress up in yellow and blue - this is to represent our compassion towards all the Ukrainian families who are displaced and suffering during the invasion by Russia.
- During the day, we ask that children design and create a poster, write letters or poems that promote kindness and compassion towards people who are refugees, and explain some of the difficulties they experience.
- In the afternoon, we want to carry out a walk for refugees. Children will write a short note or prayer that they can take with them on our afternoon walk.
- Please bring a backpack to school that you have packed with the things you might want to carry with you if you were escaping from a war zone or a natural disaster. At the end of the walk, children will get the opportunity to post up their note or prayer on a school notice board. At the end of the walk, children will get the opportunity to post their note or prayer on a school notice board.

A 6-year-old refugee's backpack held an extra pair of pants and a shirt, a syringe and bandages for emergencies, a toothbrush, toothpaste, and marshmallows and sweet cream.

Finally, our Frozen Friday funds will go towards donations we hope to send to the charity.

Please bring in a donation of £2 (or whatever is comfortable) so that children can all participate in the charity day, and feel they have taken positive action in a variety of ways.

Leading pupils who will support and lead the classes in our refugee walk

EYFS	Yr 1	Yr 2	Yr 3	Yr 4	Yr 5	Yr 6
Amelia & Savanna & Poppy	Rachel, Lexi & Ophelia	Ella & Tabby	Bertie & Oscar	Willow & Katherine	Izzie & Erin	Autumn & Amber

Thank you
Please join in so that children learn how
to take action to make change for a fair
and just world.

Kind regards

Justine Brown
