June 9, 2022

Dear Families

Great news for our budding STEM enthusiasts.

I am delighted and extremely proud of the achievements carried out by our pupils and teachers, Mrs Hodgson and Mrs Everington- Nee, who have facilitated the after school STEM club.

This legacy has been inspired by whole school STEM topics that all children have taken part in as part of the curriculum. In doing this we aim to generate enthusiasm, interest and a sense of ambition for our young people. They are learning to develop their creative thinking, making links with design and engineering technology, maths, and science. We hope that in doing this we are helping children to forge new thinking and innovations that may improve the future and our lives.

Well done to all involved, it is another fabulous acknowledgement of the work that is taking place at Deal Parochial School.

Our entries to a Kent STEM competition have been nominated and we have been endorsed as finalists. The competition organisers have contacted the school and say;

“Congratulations, all three of your entries into the Big Stem Challenge have been picked as finalists in our primary category.

We would like to invite you to the UK’s leading science and technology centre Discovery Park, based in Sandwich, to present your project.

The event will take place during the afternoon of Friday 8th July.

All finalists in the primary category will be allocated a table each at the science fair and asked to display their projects. The judges will walk round the tables chatting to the pupils before deciding who will be named as the Primary Big Stem Challenge 2022 Overall Champion”.

Please find the table below that outlines most of the events that are taking place over the term. As you can see we have planned a range of exciting and varied curriculum enrichment opportunities and also many events that invite our families back into school.

Wedding

Some happy news to share.

Our inclusion lead teacher, previously known as Mrs Hogben, was married over the holiday.

Her new name is Mrs Fox.

Congratulations to Mr and Mrs Fox. We wish you lots of happiness as you embark on your new family life together.

Choir

An invitation to all children who love to sing

We hope to build a children's choir in the parish of Upper Deal and Great Mongeham

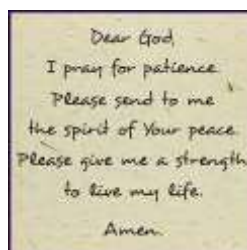

If you are interested and keen to be a chorister, please ask your Parents to contact

Rev Monica Cameron Email: revmonicacameron@gmail.com

For each choir practice you attend you will receive a fee of 50p & £1 for all services you sing at.

A moment of reflection

As the term unfolds we are giving some time to think about patience and how we have to wait for good things to come.

Please do not hesitate to contact class teachers or me in order to discuss any concerns. We want to listen and help.
Kind regards

Justine Brown. Head Teacher

19-07-22	Yr 5 library visit	
20-07-22	Dress rehearsal for Yr 6 end of term performance. Morning Yr 6 production presented to families - followed by Yr 6 BBQ and celebration	Times and tickets will be confirmed
22-07-22	Leavers Service for Yr 6 pupils and families and all pupils held at St George's Church Deal. All parents and carers to meet and collect children from the back gardens of St George's Church at 15:15 hrs. We will do our best to stick to the timings, but there are often additional speeches and some fond farewells that take up the time. It is an important service for the Yr 6 pupils and families.	Church doors open at 13:45 for Yr 6 families. The children will be brought out of the church into the gardens with their class teachers. They will be dismissed in the garden. Please do not try to enter the church. This creates a jam of people that upsets the younger children. Thank you. Please allow for a delay in the service and plan your car park time with this in mind.
22-07-22	LAST DAY OF TERM	WHOOOP WHOOOP IT IS THE HOLIDAYS!
Friday 02-09-22	September 2 nd – new term 1. ALL PUPILS RETURN TO SCHOOL EXCEPT EYFS
